The Washing/Cleaning Service Supplement – €15.00 (taxes included) for all light passenger (includes the 11 car group) and €20.00 (taxes included) for all commercial vehicles (includes the W, Y, X and Z car groups).

The Washing/Cleaning Service can only be contracted at the time of the vehicle's pick-up (check-out) or at the booking time.

If the rented vehicle is returned anormally dirty, the Cleaning/Cleaning Service is €25.00 (taxes included) for the light passenger vehicles (includes the 11 car group) and €35.00 for the light commercial vehicles (includes the W, Y, X and Z car groups). However, the amount to pay may vary depending on the degree of the dirt and preservation found at the time of return (check-in) and the contracted car group.

It may happen that *Blue Smile* has to go to external entities for the Washing/Cleaning Service so that the rented vehicle remains in proper hygiene and cleaning conditions, which will incur an additional cost to the Customer.

So, you already know, contract the Washing/Cleaning Service Supplement for only €15.00 (taxes included) for all light passenger (includes the 11 car group) and €20.00 (taxes included) for all commercial vehicles (includes the W, Y, X and Z car groups) and prevent additional costs when returning the rented vehicle.
